Booking and payment of clubs

Please ensure all club places are booked through Wisepay, even where there is no charge, this enables us to have an up to date list of children for registration on the day. Places are limited and are available on a first come first served basis.

Please ensure you book each day required on the club calendar (this does not apply to Boxing club which needs to be booked through General Products).

You may view all your bookings by clicking on, "My Wise Account", then "Payments, Balances and Messages" and finally "My Bookings".

Breakfast Club is available for ad hoc and last minute bookings, however, it is essential that if you book **after 3pm** the day before you require a slot for you child, that you also leave an answerphone message on the school landline. This will ensure we have the correct level of staffing and up to date register available in the morning.

Any child who is present at a club but not booked through the Wisepay system (therefore not on the register) will not be eligible to attend and will need to be collected prior to the start of the club.

If you need any assistance with booking clubs or have any queries, please let the office know as soon as possible.

***Please remember to provide your child with appropriate clothing, a water bottle and a pre club snack. Thank you.*
